Oakland

Pandora's "main stage" office is located in Oakland's bustling Uptown neighborhood. We're surrounded by acclaimed restaurants, cafes, and world famous venues like the Fox and Paramount Theaters. And if you're in the mood for a lunchtime run, Lake Merritt is just a stone's throw away from our front doors. Our space has a modern industrial feel with an open floor plan and stunning 360 degree views of the Bay Area. We're an easy commute from San Francisco and the East Bay, a short stroll from BART, and less than two miles from the Jack London Ferry.
